

Kjeller Airfield ENKJ

PPR by Airport Manager
+ 47 905 62 416

Welcome to Kjeller, Norway's largest GA airport with more than 100 years of operations. The airfield is located near Lillestrøm, about 20km NE of Oslo and is a combined military/civil airport with compulsory PPR. The airport is located in class G airspace (RMZ/TMZ), below the floor of Oslo TMA (2500 ft). The flying clubs are located in the civil area in the SE corner of the airfield.

For general information about flying in Norway, see the official briefings and AIP on www.ippc.no and the VFR guide on www.luftfartstilsynet.no. Also www.kjellerflyplass.no has further details of the airport.

Connections to/from Oslo:

Train from Lillestrøm railway station every 10-20 min workdays and 15-40 min weekends. 1,4 km walk to the railway station, turn right outside the gate and follow the street to the end.
Bus stop near the Circle-K gas station outside the gate with connection both to Lillestrøm and to Oslo.
Taxi 09080 approx NOK600-700. State clearly that you are by the flying clubs at Småflyhavna/Storgata 90.

Kjeller airfield is to be used VFR during daylight only but not outside 0800-2200LT. Notify Norwegian Customs min 4 hour prior to arrival from abroad by email to tollops@toll.no or by phone +47 22 86 02 00.

The tower is only manned during military operations, during which military traffic has priority. It is mandatory to listen and transmit blind on 119.105 while in the "Kjeller Zone", inside the VFR reporting points. Also keep a sharp lookout for helicopters and transiting aircraft that may not be on the Kjeller frequency.

Reduce rpm/throttle to minimize the noise impact and use landing light for better visibility. Touch&go is not allowed. Be aware that vintage aircraft sometime operates from the grass north of the RWY between TWY-B and TWY-C.

The airfield is closed when runway is covered with snow. It is normally no snow removal from noon Friday till morning Monday. Check with the Airport Manager if in doubt.

Landing Fee including parking the first night, a small fee for additional nights will be invoiced. Hangar space or tie-down facilities is normally not available for visiting airplanes.

- Expedite fueling
- Be aware of prop/rotor-wash
- Only BP card accepted
